

What is it?

Inspiring teachers is an exploratory and empowering one day transformational course for teachers and individuals within a teaching environment, who are looking to identify, connect with and become an authentically inspiring teacher.

Using a powerful blend of NLP techniques and a highly effective individual Values Assessment completed prior to the course, participants will explore their own values, beliefs and behaviours to understand specifically how to achieve their desired outcome.

Who is it for?

Those teaching, guiding and inspiring young people who are seeking to make a difference for themselves and others.

Content covered

- What really matters to me and what specifically does being an inspiring teacher mean to me?
- How am I being now, and how do I want to be, and what's stopping me?
- Harnessing the power of personal values to unlock and transform.
- Making it happen - practical steps to achieve my desired outcome.

Learning outcomes

By the end of the session, participants will have:

- Created absolute clarity of what being an Inspiring Teacher means for them and the steps to get there
- A greater depth of self-awareness, embracing their values, beliefs and behaviours.
- Awareness to use language consciously for positive effect in motivating empowering and self and others.
